Fixed Height Desks

ergoCentric™
The science of sitting™

Sturdy, Stable and Cohesive Design

The upCentric Fixed Height Desks provide a solid, stable working environment to fit a variety of spaces. The sturdy frame accommodates a variety of tabletop widths, while the durable open frame design provides optimal knee clearance and space for storage.

The upCentric Fixed Height Desks are designed to match other upCentric tables, providing a cohesive look and feel throughout the working environment.

Quality – minimize maintenance and replacement cost

Recognized as North America's premier manufacturer of high-quality ergonomic seating and workstations, our products are built to last and exceed the strength and stability standards.
