

# ecoCentric™ Student 2

Designed for collaborative environments

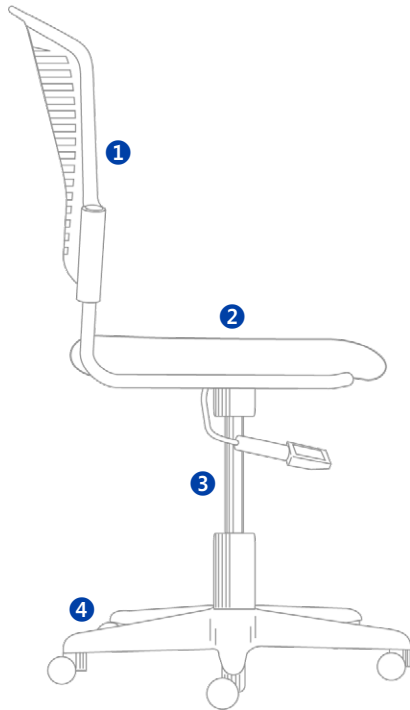

The ecoCentric™ Student 2 is designed for collaborative environments such as lecture halls, meeting rooms, study, and library facilities. Feel comfortable and supported with a vented backrest that provides continuous airflow and a dual curve upholstered seat that keeps you focused for longer periods of time. With a full range of seat heights, bases, footring and caster options, the ecoCentric Student 2 easily accommodates a variety of users and educational settings.
